

## Food Buggy Rental Program 2020

Mobile food growth is a great way to expand economic opportunity, and enrich communities by improving people's access to learn, control, build and own their future.

**The challenges** to capitalizing on the opportunities that mobile food offers are:

**(A) Mobile trailer & cart rental support**

- The mobile trailer and cart rental units supplied by TheFoodBuggy.com Rental location will be available. (Spring 2020)
- Trailer and Carts are designed for counter-top cooking equipment electric or sterno only.
- Trailers to have 17 digit VIN # for registration and worldwide Identification along with GPS for tracking.
- Daily trailer or cart rental rates \$150- \$300 estimate, equipment rental fees. The cost to purchase a mobile unit ranges from \$7,000 to \$15,000 estimate.
- Free location storage mobile Food Buggy trailers and carts purchased by non-profit organizations or other funding options to offering rental subsidy options to people. Subsidized rental rates \$\$40-\$70 estimate to cover over head cost.
- If towing vehicle trailer insurance is needed it can be purchase for \$20 per day from rental site. If generator is needed estimated daily cost \$ 25-\$35 per day.

**(B) Mobile food program operator(s) documentation/certification needed to rent trailers or carts**

**Documentation needed for Private Event Rental:** parties, weddings, birthdays, anniversaries, retirements, celebrations, special events and more:

- Drives License
- Rental agreement.
- Towing vehicle trailer insurance or purchase for \$20 per day from rental site

**Documentation needed for Public Event Rental:** Operators of the Mobile food units documentation/certification recommended.

- Save Serve/ Person in Charge certification online \$12 to \$153 class \$150 to \$300
